

## Freight Coordinator

### Opportunity

This is a great opportunity for someone looking to grow their career – at FMI you won't be just a cog in the wheel, you'll be an important part of a great team. Working at a rapidly expanding company means you'll have plenty of interesting challenges. Our Values emphasize relationships as the key to FMI's success to-date and our future growth, and our freight team works together to provide our clients and our partners with an exceptional experience.

This is your chance to see the future and plan for long-term engagement with clients including vendor partners, and our academic community.

This role is perfect for someone who likes to creatively strive for success and is driven by excellence in the execution of those plans.

This is your chance to make your mark in a role with lots of variety, flexibility, and autonomy.

Performance Incentives mean you'll be a key member of the Freight Team. As a Branch Operations Coordinator, this is your chance to become invested in your career and influence our growth for the long-term.

### You Want to Do This

You want to work with a great team and expand your skills.

You are looking to contribute your expertise in a variety of areas – operational performance, client relations, new business development, continuous improvement, and team development.

You want to contribute to the FMI Logistics Freight team and our strategic business planning. You want to drive change, and improve processes and procedures.

Outside of the box strategic planning is your skill, and executing is your passion.

You want to help mentor, grow, and motivate the Freight Brokerage team. You like managing existing accounts and building new customer relationships.

You want to work with interesting, loyal, and motivated people.

Explore and identify new strategies to expand our customer base.

### You Know These Things Already

In your career you have been a solid, consistent performer. You probably have 2 or more years of experience in Freight Coordination.

You have relevant experience in Logistics, Supply Chain and Transportation Management.

You have direct experience in Freight Brokerage business, Ocean & Air Forwarding.

You'd stand out if you already understand Freight Management specifically.

You're really good with clients and vendors/partners alike. You have very strong client-focused service skills and you're also driven to help develop new business.

You're an innovative thinker and able to come up with new and useful ideas.

Your ability to independently manage a number of projects at the same time, and to react and adjust to change with ease will make you perfect for this job.

## **You Should Know This About the Job**

You'll report directly to the Executive General Manager of the Freight Services Group and have their support.

As a member of the Freight Brokerage Team, you will be well-compensated. Along with your salary, you'll have a Performance Incentive component.

You'll have plenty of incentives to continue learning and growing your skills through an Education Reimbursement program and our support.

Working at a rapidly expanding company means you'll have plenty of interesting assignments, lots of diverse challenges, and opportunities for career growth.

No need to pay for parking or public transport – parking is free and right beside the building.

We care about outcomes and we like people who are results-driven. We like creative problem-solvers and curious people.

COVID-19 precautions:

- Plastic shield at work stations
- Social distancing guidelines in place
- Virtual meetings
- Sanitizing, disinfecting, or cleaning procedures in place

## **Are You a Good Fit?**

Think you've got what it takes? Are you ready to join a great team?

We're ready to hire the right person immediately.
